

Motor Mechanic/Technician

- Large Independent Specialist
- Eastern Suburbs Location
- Excellent Working Environment
- Above award remuneration
- Above award remuneration \$32-\$37 per hour

We are a large independent Specialist Workshop located in the Eastern suburbs of Melbourne. We employ a sizeable team of highly trained mechanics and pride ourselves on our positive and professional working environment. We also operate a busy Spare Parts Division as well as Used Vehicle Sales.

Due to our continued expansion and high customer demand, a rare opportunity in our workshop for a qualified professional Motor Mechanic has been created. The successful applicant will work in our modern facility fully equipped with the latest Diagnostic and Specialist Equipment. They will be well supported and become part of a dynamic team of dedicated and skilled specialists enjoying a wide variety of interesting jobs.

We are a highly respected and friendly company with over 45 years experience in the industry. We pay very well and our team are given regular opportunity to work fully paid overtime if desired. We enjoy a large base of loyal customers and provide our employees with stability and opportunity for advancement.

If you need a change in the right direction and feel you are suited to this position, please email your resume to accounts@ritter.com.au

We are in a position to sponsor overseas applicants who come under the Temporary Skill Shortage Visa (subclass 482).

Applicants must have the right to work and live in Australia.
